

# Child Care Providers Needed!

*Have you ever considered providing in-home child care or opening your own day care center?*

**Free grant money** is available for start-up day care providers and current providers serving the New Rockford area! Funds can be used for equipment, training, renovations, supplies, real estate, staff recruitment, or other business needs.

Grants are based on the number of **new slots** created, up to \$2500 for in-home startups and \$5000 for new centers and expansion projects. Applications accepted at any time.
